Heart disease is the leading cause of death for men and women in the United States. Every year, 1 in 4 deaths are caused by heart disease. The good news? Heart disease can often be prevented when people make healthy choices and manage their health

conditions. Communities, health professionals, and families can work together to create opportunities for people to make healthier choices.

How can American Heart Month make a difference?

Make a difference in your community. Spread the word about strategies for preventing heart disease and encourage people to live heart healthy lives. Use this month to raise awareness about heart disease and how people can prevent it — both at home and in the community. Here are just a few ideas:

- Encourage families to make small changes, like using spices to season their food instead of salt.
- Motivate teachers and administrators to make physical activity a part of the school day. This can help students start good habits early.
- Ask doctors and nurses to be leaders in their communities by speaking out about ways to prevent heart disease.

Reviews

"I would recommend One Stop Car and Truck Repair to anyone without a doubt! Very professional and reliable. The best customer service and reasonable prices. My go to auto shop from now on!!!" - George Boyd

"I highly recommend 1 stop car & truck repair. I originally went to another repair place which took a couple of hours for them to find the codes they found from the check engine light staying on. They charged for finding the codes, but said the guy who could check further into what the codes meant wouldn't be in for a couple of days. I then called a couple of days later, and the other repair place said they don't feel like finding out what the problem was. I then went to 1 stop car & truck repair, and in a short time they checked the codes and found that the secondary battery had loose connections, test drove the car and the problem was fixed. They are a good place to go for repairs they take you to the car and explain what happened." -Mike Clemens

"Always service I can trust, done professionally and timely. Had bad experiences with the dealer and switched to local, quality service. Never disappointed." -Bob Turner

"1 Stop has become my go to place for everything from oil changes to major repairs!! I always know what needs to be done before they do it and the cost. Matt is wonderful and always has a smile on his face. Everyone there treats you like family!" - Marcia Burns

"I am a firm believer in the people. If given the truth, they can be depended upon to meet any national crisis. The great point is to bring them the real facts." -Abraham Lincoln, 16th President of the United States (born February 12, 1809)

On February 22, 1980, in one of the most dramatic upsets in Olympic history, the underdog U.S. hockey team, made up of college players, defeats the four-time defending gold-medal winning Soviet team at the XIII Olympic Winter Games in Lake Placid, New York.

The Soviet squad, previously regarded as the finest in the world, fell to the youthful American team 4-3 before a frenzied crowd of 10,000 spectators. Two days later, the Americans defeated Finland 4-2 to clinch the hockey gold.

YOUR VEHICLE IS TRYING TO TALK TO YOU...

Here's a quick reference guide of some common vehicle warning indicators. Since automakers' images differ, your owner's manual should always be consulted.

WE CAN HELP!

**DON'T
IGNORE
ME**

Oil Pressure Warning. If this light stays lit it indicates loss of oil pressure.

Battery/Charging Alert. Indicates voltage level is below normal and the vehicle's charging system isn't functioning properly.

Check Engine Light. Indicates the engine computer has set a Diagnostic Trouble Code. Usually requires diagnosis with a professional tool.

Coolant Temperature Warning. Indicates temperature has exceeded normal limits.

Brake System. Indicates one of three possible conditions: parking brake is on, there is a problem with the braking system/brake fluid is low, or an ABS problem. If an ABS problem, professional diagnosis may be required.

TPMS (Tire Pressure Monitoring System). Indicates the TPMS has found a tire with low air pressure or a sensor with a dead battery or malfunction.

Oil Change Reminder. Indicates that oil life has expired. The oil life interval can be set based on mileage or a combination of readings taken by the vehicle's Electronic Control Module (ECM).

If your warning light is YELLOW. Caution! Call us to schedule an appointment ASAP!

If your warning light is RED. Turn off vehicle immediately and call us ASAP!

THAT'S FUNNY, FIDO!

February 20 is LOVE YOUR PET DAY. Hope you love these jokes about our favorite furry friends...

What did the cat on the smart phone say? Can you hear meow?

What happened when the dog went to the flea circus?
He stole the show!

Did you hear about the cat who swallowed a ball of yarn? She had a litter of mittens.

What do you give a dog with a fever? Mustard, it's the best thing for a hot dog!

BRUSH AND CLEAN IN BETWEEN TO BUILD A HEALTHY SMILE!

February is National Children's Dental Health Month, providing a great opportunity to promote the benefits of good oral health to children, adults, and caregivers. Make it your goal to build the foundation for your family to achieve healthy teeth from childhood and beyond. Jump start those lifetime habits by making these healthy kids' teeth goals...

- Avoid Sugary Foods
- Brush Twice a Day
- Floss & mouth rinse daily
- Visit the dentist twice a year
- Make oral health a fun habit!

Healthy kids teeth start with good parenting and a great dentist!

TOTALLY TRIFLING TRIVIA!

WHO IS THE ONLY U.S. PRESIDENT TO RECEIVE THE MEDAL OF HONOR?

Answer • Theodore Roosevelt

Assistant Secretary of the Navy Theodore Roosevelt quit his job when the Spanish-American War broke out. He left to lead a regiment of volunteers calling themselves the Rough Riders. "Teddy" and his regiment played an important part in the Battle of San Juan Hill and took part in other operations in Cuba. Nominated in 1916 for the Medal of Honor, the Army cited a lack of evidence for his reported heroism at San Juan Hill. He received the decoration posthumously in 2001.

Bet You Didn't Know...

Punxsutawney Phil has a ridiculously long official name. His full moniker is "Punxsutawney Phil, Seer of Seers, Sage of Sages, Prognosticator of Prognosticators, & Weather Prophet Extraordinary." Yikes!

"Associate with men of good quality if you esteem your own reputation; for it is better to be alone than in bad company." -George Washington, first President of the United States (born February 22, 1732)
