"Always great and professional service. Thank you." - **James Toussaint**

"I brought them my car to be analyzed, I was given a fair quote. I needed time to pay and with that time they got all the parts. They had my car for about 6 hours and they saved me money from the estimate. It rides true again and after this being the second time I trusted them with my car, they gained a loyal customer. Thanks, John." - **John Markell**

"Charles is easy to work with." - **Ann Ragatz**

"They were great. Took my car in with no notice and got me on the road the same day. Helped me out of a jam since I was on vacation and only had a couple of days in town and drove me back and forth to my camp site. Thanks." - **Ken Prosper**

"Great job." - **Kayla Powers**

"Service was very good and staff was friendly and helpful. We took the car to another shop and they couldn't fix it. 1 Stop will always be our first stop!" - **Mary Jo Sheldon**

"Amazing experience from the word "Hello"!! I have never been treated with so much courtesy or honesty in regards to auto repair. I dropped off my car over night & got a call first thing the next day to not only ask what I felt was wrong with my vehicle, but to welcome me to their family as well. They listened to my problems, and then a few hours later, presented a full diagnostic of EVERYTHING they had done & tested....including pictures to help me understand what was done and recommendations on how to proceed with correction. From start to finish...a great experience & fixed in the time frame as promised. I would recommend them to ANY & EVERY person needing automotive repair." - **Christine Pazur**

"Been going to them for 8 years. They never cease to amaze me, good honest service with a smile and a fair price. Thanks a bunch." - **John Click**

"I needed a battery replaced before a trip back to Michigan. I called One Stop and they had me come in immediately. Even though they were busy they confirmed that my battery was indeed bad and replaced it right then and I was on my way. They were very professional and courteous as well. I was very pleased with my experience." - **Phil Meengs**

"I spoke with Charles several times over the phone he was very patient professional and courteous! I would definitely bring my car there again and recommend them to family and friends." - **Ron Cucchi**

"Excellent friendly service at very reasonable cost." - **Cherif Elsadek**

"Great service on time, convenient online appointments, treat my truck like it was their own, at a GREAT PRICE!! And this is a real review." - **Roger Doward**

"Super friendly guys here. Charles is great too. Nice place, very professional but laid back!!!" - **Kara Kevorkian**
