"What a nice experience! My mom referred me to 1 Stop and it was to both of our benefits! They have taken care of my parents cars for years and now I trust them to take care of mine.

Very nice guys too!" - Ellen Boehmer

"Rob, Matt and Rich were terrific! (I needed a lot of work done on my car.) Each of them explained in detail what needed to be taken care of in my car, showing me the parts that needed to be replaced, telling me about the labor processes and helping me find the best value and costs for required items. They were all very professional, knowledgeable and respectful of my many questions. I totally trust them and appreciate their honesty and hard work to fix my car at the best cost with safety and reliability top of the list." - Pamela Burch

"Great service! The vehicle was dropped off early afternoon & done within a few hours! I will continue to use this facility/ recommend to anyone who are in need of their services!"

- Troy Martin

"The team was awesome! Highly recommend their services!!" - Kevin Freeman

"I got a nail in my tire and needed a trustworthy auto shop because I'm new to Venice. 1 Stop had great reviews, so I stopped in expecting to have at least an hour wait. They took me right in, removed the nail and patched my tire. The price was good, the service was excellent and I was done in 20 minutes. I will be back for my scheduled maintenance services!" - Jeff Smith

"Great service, in and out in no time." - Glenn Rzepnicki

"This is a great repair shop. Employees very professional and friendly. The facility is very clean and the customer lounge is top notch." - Larry Hall

"Good work and good people." - Don McDaniel

"The team at 1 Stop is #1 (aptly named). Their diagnostic abilities and experience are second to none. No one likes to spend money but even though it's a bit expensive -- I always feel I get my money's worth at 1 Stop. A very efficient and friendly place to do business." - Chuck McLoughlin

"Excellent!" - George Dejong

"Can't say it enough...1 Stop is the best!!!!" - Nancy Bailey

"The initial issue for which my vehicle was towed to 1 Stop, did not materialize after it was inspected there. Company staff did not want to do a lot of expensive diagnostics when the starting problem could not be observed after numerous attempts. They did notice issues with the brakes that needed repair, which was efficiently done. Thanks Charles, Mark and other staff that effectively cared for my vehicle." - Steve Woodrow

"Friendly quick lube service." - James Bornhauser

"Fast and efficient service. Matt explains well and gives options." - Tony Leodora

"Their technicians are top notch and very thorough. I would definitely recommend this place to my friends." - Randy

"1 Stop is the best! Previously, I used dealerships and found the dealerships charged outrageous amounts of money and on several occasions did not do the repairs/maintenance. 1 Stop has my car running better than when I brought it in. They really listen to your concerns and find the problem. I leave there satisfied. Their charges are very reasonable. I highly recommend 1 Stop!" - Nancy Cuomo

"You did a great job and I will be back when my car needs any work. I would recommend your shop to anyone who needs service." - Lynn Boyar

"They were awesome." - Jill Wilkerson

## DEC 21ST - WINTER SOLSTICE

The word solstice comes from the Latin "sol" (sun) and "sistere" (to stand still). The day of the winter solstice is the shortest day of the year, meaning the one in which we experience the least amount of daylight in 24 hours. In the Northern Hemisphere, as summer advances to winter, the point on the horizon where the Sun rises and sets advances southward each day.

The high point in the Sun's daily path across the sky, which occurs at noon, also moves southward each day. At the winter solstice, the Sun's path has reached its southernmost position. The next day, the path will advance northward. However, a few days before and after the winter solstice, the change is so slight that the Sun's path seems to stay the same, or stand still.

## Happy Holidays!

In traditional festive lore, Santa Claus's reindeer pull a sleigh through the night sky to help Santa deliver gifts to children on Christmas Eve. Santa's sleigh is led by eight reindeer... Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Dunder and Blixem. They are based on names used in the 1823 poem "A Visit from St. Nicholas" (commonly called "The Night Before Christmas") by Clement Clarke Moore, arguably the basis of the reindeers' popularity.

In the original version, Moore used the Dutch spelling for the reindeers' names. In "An American Anthology, 1787-1900", Edmund Clarence Stedman reprints the poem using German spellings, and Dunder and Blixem become the now more popular Donner and Blitzen (or "Thunder and Lightning" in English).

The enduring popularity of the Christmas song "Rudolph the Red-Nosed Reindeer" has led to Rudolph often joining the list, bringing the number of Santa's reindeer up to nine!
